

REMARKS

Pursuant to the provisions of 37 CFR 1.312, a request is made herein to enter two minor amendments in Claim 1 without withdrawing the application from issue.

Both corrections are minor in nature. The first inserts "(I)" next to the chemical formula in order to be consistent with the remainder of the claim. The second changes the spelling of "thru" to --through--.

Since these minor clerical errors do not require any search or examination on the part of the Examiner, entry thereof is respectfully requested.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Dated: July 17, 2006

Respectfully submitted,
